

One in a Million

Welcome to the Wilderness

Exodus 13:17

“Now when Pharaoh had let the people go, God did not lead them by the way of the land of the Philistines, even though it was near; for God said, ‘The people might change their minds when they see war, and return to Egypt.’”

God _____ the wilderness for the people of Israel.

There are some things we don't know about ourselves until we are put in a position where we have to see God's power _____.

God will _____ us by His Holy Spirit. _____ Him with the wilderness.

God wants to develop us, and He uses the wilderness to do it.

Job 42:5

“I have heard of You by the hearing of the ear; But now my eye sees You.”

You can't see miracles unless there is an _____ you can't figure out for yourself.

He wants us to see His divine ability operating through us so that we can see potential in us that we never even thought was there.
